Thank you for sharing your child with us this year! We have had a great time getting to know each one of them. We absolutely love teaching little ones to love the sport of gymnastics as well as helping them with social & gross motor skills. For those heading to kindergarten in August, we wish them all the best. For those that will be at school again in the Fall, we can't wait to see you back on the bus in August.

*Have an amazing summer,
Ms. Cathy & Ms. Jenny*
